September News Flash

Dear Parents,

Dear Parents,

A huge Welcome Back after our long Summer Break! We are very much looking forward to seeing you all.

Below you will find lots of useful information for the upcoming term, as always if you are unsure about anything please ask a member of staff and we will be happy to answer any questions.

Our Autumn term is an exciting term as the weather is changing for the better so we will be able to make the most of our outdoor facilities.

Afternoon activities:

Swimming lessons will resume as soon as the weather allows and we will again be offering the ever popular Teddy Tennis and kiddies Yoga courses too! We will be getting start dates and registration forms organized for all of these courses so watch this space!

We are also hoping to offer other activities during the course of the term.

Recycling for Craft projects:

Please drop of old newspapers; empty cereal boxes; plastic bottle tops; egg cartons; shopping bags and tissue rolls. We can re-use these items for art and craft.

Care-for-our-Community Project.

Old Clothes and books can be donated to the community in the two drop-in boxes right inside the front gate.

Pick-up and PARKING: To avoid a pile-up, and poor child monitoring on the playground, and parking lot after school- **We urge all parents not to double-park. Please use marked parking spaces. Please leave immediately after your child has been dropped off or collected, so that your parking space will be available for the next parent.**

Morning drop off: Children who are very late with an excuse, should be taken to the reception, not directly to class. The logbook should be signed if your child is delivered late. Parents are not allowed to take children directly to class after 8:45 am.

If you will be late picking up or dropping off please let us know at the earliest opportunity.

All Class lists will be up in both entrance areas of each villa showing which class you should take your child to. If you are an existing parent please check these lists and take your child directly to class. Our new parents please come to reception and we will show you to your child's classroom. Pick-up arrangements will be staggered as normal, again notices are up in each villa and outside each classroom so you will know where to collect your child. Please come to reception and ask if you are unsure about anything.

WELCOME BACK!!
